The Assistant Secretary noted that items a through d, under Unfinished Business on the agenda, were all requests for extension of contribution repayments under Rule No. 21 and suggested that they be discussed after the Plan Attorney had presented the Proposed Amendment to Rule No. 21, which was the next item on the agenda. The Plan Attorney turned the Committee's attention to the Proposed Amendment to Rule No. 21, copy of which was in the pass-out material, and explained the present verbage of Rule No. 21 and Rule No. 26, and the Proposed Amendment to Rule No. 21 which he stated mirrors Rule No. 26 as it gives individuals the same rights and amortization schedule as outlined in Rule No. 26. He noted, however, that the Proposed Amendment to Rule No. 21 included an additional proviso which could be passed upon by the Committee at their discretion. The proviso states that interest be charged on the unpaid balance from the date employment commences at the rate determined by the Trustee as the rate of return on a 5-year Treasury Note. Therefore, if an individual under Rule No. 21 wishes to avail himself of a 5 year repayment program, he would pay an interest factor.

A discussion ensued between the Plan Attorney and Committee Members during which the Chairman suggested that the matter be held in abeyance and a subcommittee comprised of Messrs. Kole, Thomas, Kasmer and Andersen be formed to study the matter and report back to the Committee at the next meeting. The Committee unanimously agreed.

The Assistant Secretary suggested that item f under Unfinished Business be discussed along with item d under New Business.
The Assistant Secretary turned the Committee's attention to the recommendation by Mr. Robert Harrell which had been held in abeyance at the last meeting. Mr. Kole made a motion to adopt the recommendation of our consultant, Robert Harrell, in the restructuring of our equity money managers as outlined in his letter of June 6, 1984. (A copy is attached to these minutes). Mr. Brown seconded the motion, and the Committee unanimously approved.

The Assistant Secretary informed the Committee that Paul C. Jones was found fit to return to duty, he refused a job and, therefore, under Section 12 of the Plan was removed from the Disability Retirement rolls.

The Assistant Secretary informed the Committee that it was necessary to select a new pension check writing service, noted that a cost report from Harris Bank was included in the meeting materials, and further noted that the Secretary's Office was recommending that Harris Bank be retained to provide this service. A discussion ensued between Committee Members during which Mr. Kole made a motion that the Committee accept the recommendation of the Secretary's Office to retain Harris Bank to provide check writing services, Mr. Thomas seconded the motion, and the Committee unanimously approved.

The Assistant Secretary informed the Committee that the Chicago Transit Authority Internal Auditing Department would be unable to perform the monthly payment audit due to a shortage in staff, and suggested that Arthur Young, the Plan Auditor, be retained to perform this service until internal auditing could be
resumed, in approximately two or three months, or another solution could be sought. A discussion ensued between Committee Members during which Mr. Kole made a motion to retain Arthur Young to perform the monthly payment audit for three months, Mr. Thomas seconded the motion, and the Committee unanimously approved.

Dr. Robert Zerbst began his presentation. Mr. C. Andersen called to the Committee's attention the fact that the name of Dr. Zerbst's firm had been changed from Pension Real Estate Services, Inc. to Piedmont Realty Advisors. Dr. Zerbst continued with his presentation by way of passing out the quarterly real estate investment report and asked Ms. Barbara Cambon to expound on the indirect investments. Ms. Cambon directed the Committee's attention to that portion of the report outlining the indirect investments and presented a synopsis on each. Dr. Zerbst refreshed the Committee's memory on the various direct investments and presented an update on the present status of each.

The Assistant Secretary turned the Committee's attention to the matter of appointments to subcommittees noting that at the direction of the Committee at the last meeting, he had reviewed the Minutes for the last 3-1/2 years and found that there was one active subcommittee which is the Real Estate Subcommittee whose membership is comprised of J. Weatherspoon, P. Kole, D. Perk, E. Flowers and L. Brown. The Assistant Secretary further noted that the research was done due to the request of the Committee for information regarding the process of appointments to subcommittees. The Assistant Secretary then asked the Plan Attorney to review the By-Laws with regard to subcommittees. The Plan Attorney directed the Committee's attention to Article IV, Section 1 of the By-Laws which state that appointments can only be made by the Committee and not by
any member thereof, and appointees must be Committee Members only.

A discussion ensued. (Continues on Page 7).

A discussion ensued between Committee Members during which Mr. Kole made a motion to retain Arthur Young to perform the monthly payment audit for three months, Mr. Thomas seconded the motion, and the Committee unanimously approved.

Mr. Robert Zerbst began his presentation by noting that his firm was now known as Piedmont Realty Advisors, passed out the quarterly real estate investment report and asked Ms. Barbara Cambon to expound on the indirect investments. Ms. Cambon directed the Committee's attention to that portion of the report outlining the indirect investments and presented a synopsis on each. Mr. Zerbst refreshed the Committee's memory on the various direct investments and presented an update on the present status of each.

The Plan Attorney directed the Committee's attention to Article IV, Section 1 of the By-Laws which state that appointments can only be made by the Committee and not by any member thereof, and appointees must be Committee Members only. A discussion ensued
during which Mr. Perk brought up the matter of specific Alternates for Committee Members. The Plan Attorney noted that Alternates presently serve on a floating basis and management Committee Members do not have a specific Alternate; and, any change would have to be done by amending the By-Laws. After further discussion, Mr. Perk made a motion that the By-Laws be amended to reflect a specific Alternate for each Committee Member representing management and in the absence of both that the Chairman would designate a stand-in alternate with the concurrence of the Committee. Mr. Thomas seconded the motion, and the Committee unanimously approved. The Plan Attorney stated that he would present a draft of the Amendment to the By-Laws at the next meeting.

There being no further business, on a motion by Mr. Goldman, seconded by Mr. Kemp, the Committee unanimously agreed to adjourn at 12:33 P.M.
